

12 Days Worksheet – 2006

The following gifts, given in order, will fit into the 2005 Costco stacking (nesting) boxes. We will not be able to purchase Costco 2006 boxes until mid-October. I'm counting on the boxes to be of similar size. You may use this order for individually wrapped gifts given (or hidden) at one per day the 12 days before Christmas.

1st Day: Separate the Affection gift set found on page 7 of the fall/holiday Look. Give only the solid compact on this day. Value: \$20

2nd Day: Separate the Romance candles. Give only two on this day. Value: \$12

3rd Day: Mini brush set. Value \$10

4th Day: Take the fizzys out of the Mint Bliss Spa Pedicure set and use Fizzys here. Value added into Day 10

5th Day: Pink wrap. Hostess promotion, fall/holiday Look. Value \$22

6th Day: Candy -- Locally, buy jar of homemade Chocolate English Toffee from me,
or buy Belgium chocolates from Costco (you pay \$10) Value: \$20

7th Day: Body Care Gift Set, fall/holiday Look Value \$28

8th Day: Affection body gel and lotion, fall/holiday Look. Value \$20

9th Day: Peachy Satin Hands Set. Value \$30

10th Day: Mint Bliss Pedicure Spa Set. Still available on Discontinued Section 1.
Value: \$38

11th Day: Winter Pear Spice Set. Page 8, fall/holiday Look. Value \$32

12th Day: 3 floral-print cosmetic bags. Current hostess promotion. Value \$30
Or out-of-stock mirrors, if you were fortunate to get some.

I've taken the liberty of assigning values to the hostess promo gifts. My values give you more than a 100% markup. The \$ 282 total allows you \$15 for cost of stacking boxes and \$3 for large move-downable bow on the boxes, or defray the cost of wrapping paper for individually wrapped boxes. Charge no less than \$300 PLUS LOCAL SALES TAX for completed project.

Questions: Let's have them! Of course, you may rewrite any verses and/or substitute products.
